

What's Different?

# Listen to Mary

*There was a wedding in Cana in Galilee, and the mother of Jesus was there. Jesus and his disciples were also invited... [Mary] said to him, "They have no wine."*

John 2:1-3

No wine at a wedding was like no pizza at a party—no fun, and a bit embarrassing. Mary didn't get upset, though. She simply told Jesus about the problem and sent the servers to his aid. At first he didn't seem to want to do anything, but then he revealed his glory and performed his first miracle.

It's hard to look at suffering and even harder to do something about it. Like Mary, we can trust in God's care, tell Jesus about the problem and do what we can. If we do, we may witness something wonderful too.

*God, thanks for wise parents and teachers. Help me to obey them in faith.*
